BEAR SNEEZE

Bear Sneeze is a Costa Rican publisher specializing in the development and marketing of video games for Steam. We provide step-by-step support services for small studios looking to launch their games, as well as consulting and public relations.

GAMES

BEAR SNEEZE

TRAILER

OVERVIEW

Sinner's Grimoire is a demonic Bullet Heaven action game based on Dante Alighieri's story, "*The Divine Comedy*." You take on the role of a Spellcaster bound to a cursed grimoire, whose sole objective is to escape Hell.

Face the demonic legion, conjure powerful spells, fuse your abilities and try to survive the 9 floors of inferno.

KEY FEATURES

WANDCRAFTING

Wield a grimoire that lets you combine and chain spells in endless ways. Modify projectiles, add elemental effects, and create unique synergies.

ROGUELITE PROGRESSION

Earn "knowledge" with each escape attempt. Unlock new spells, upgrade your grimoire, and gain permanent traits.

REPLAYABILITY

No two runs are the same. Experiment with hundreds of possible spell combinations, traits, and upgrades to discover.

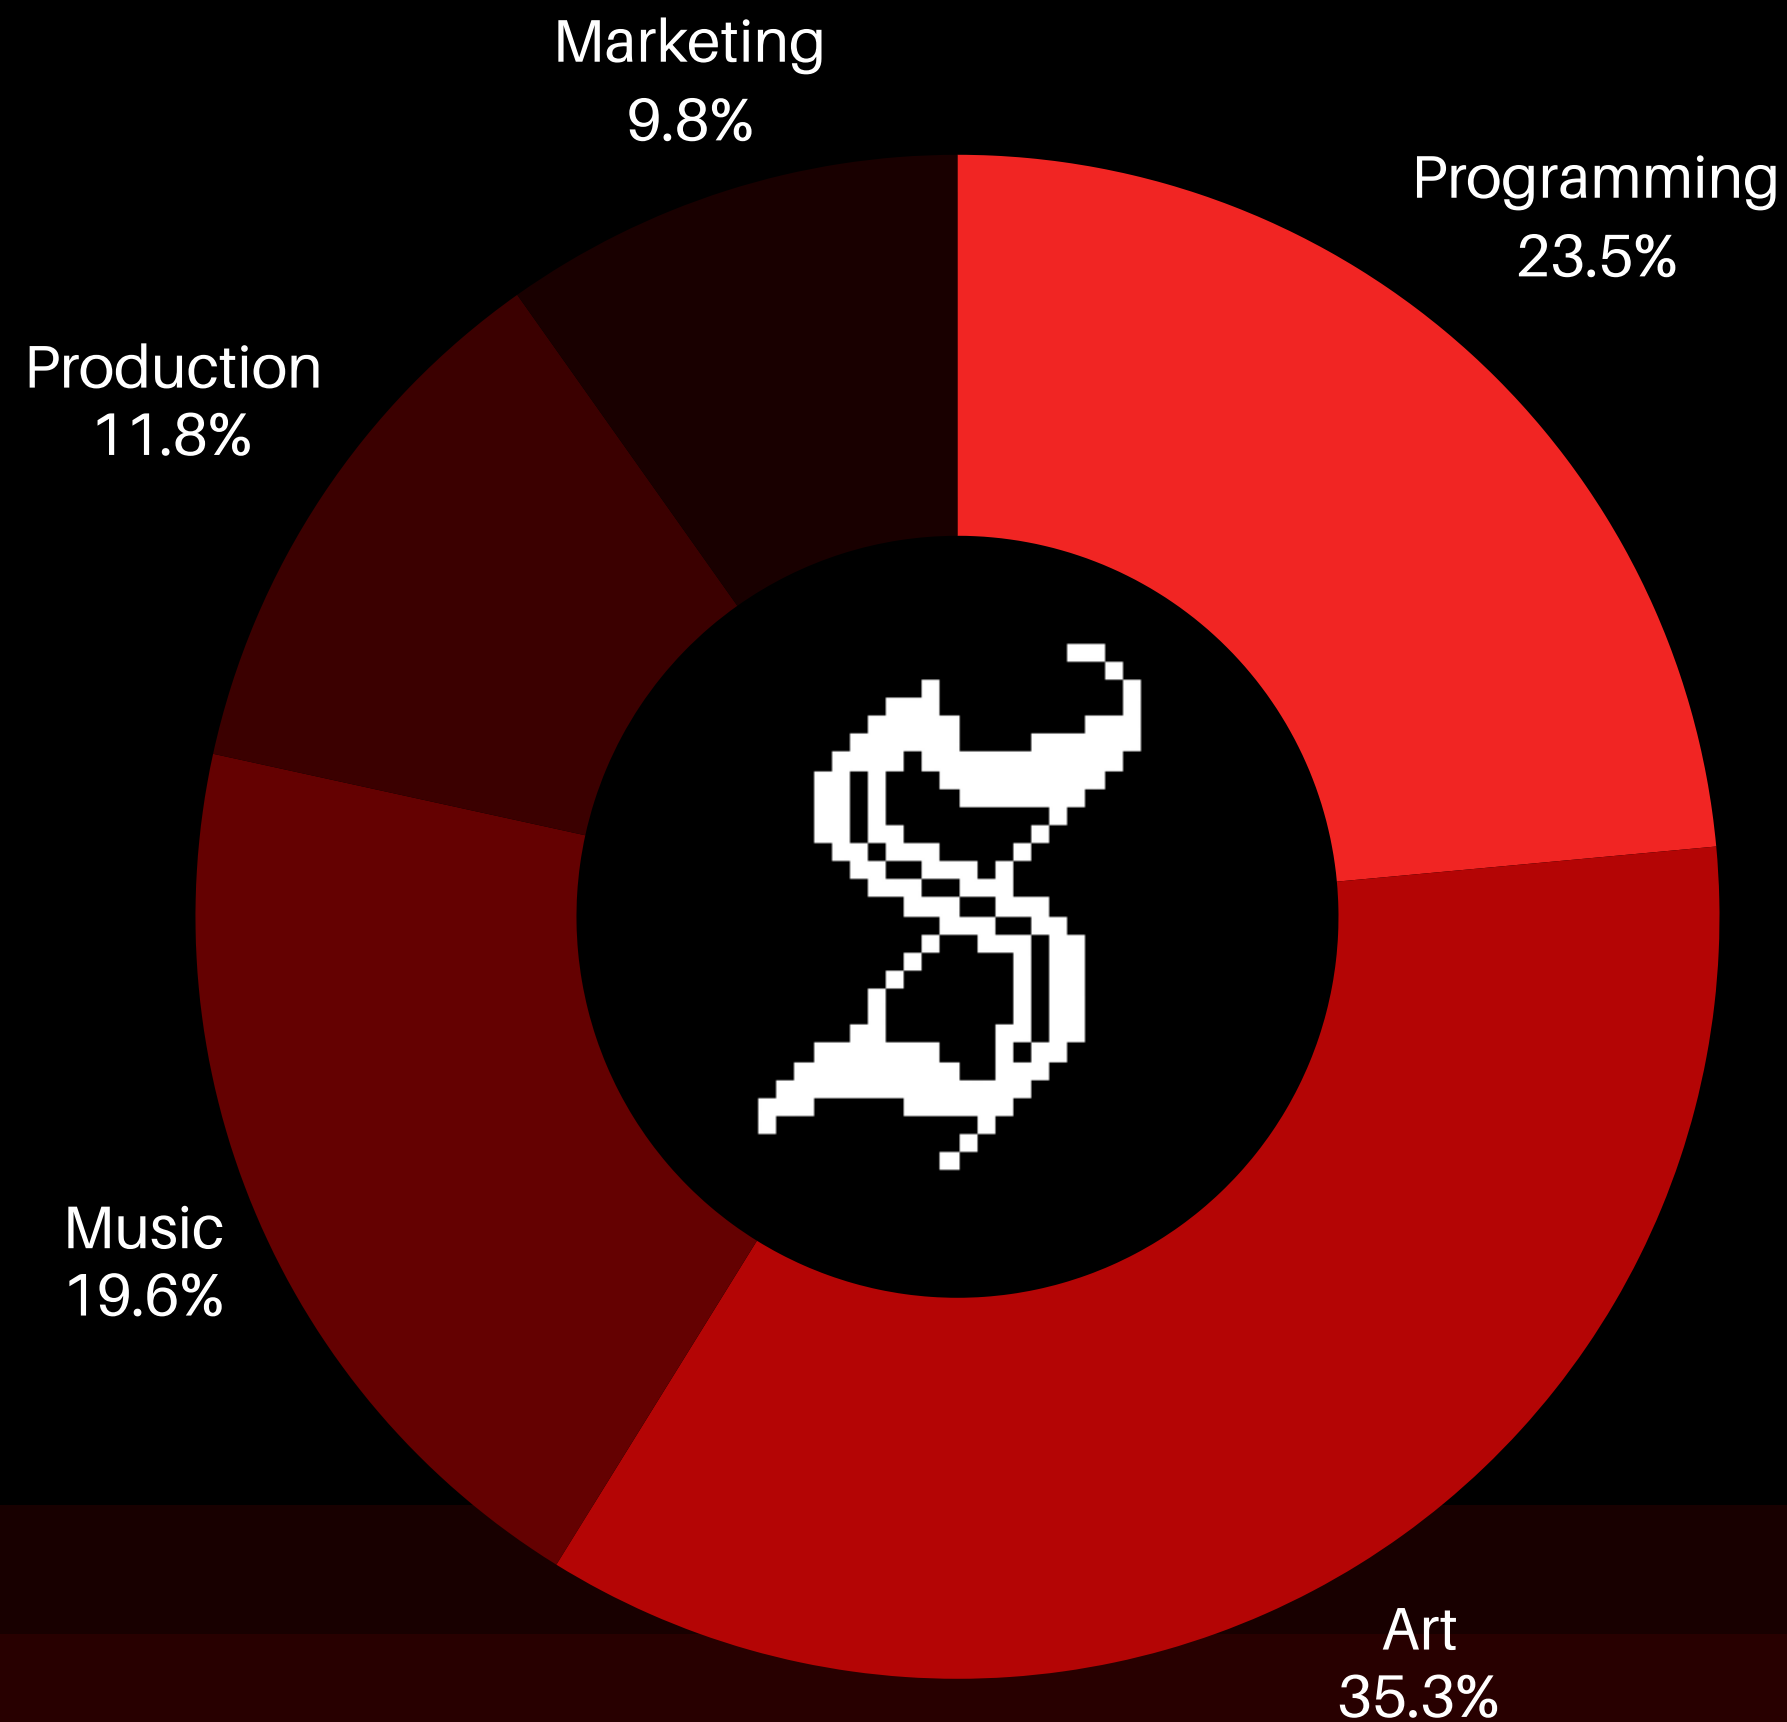

CHALLENGING LEVELS

Each floor lasts six minutes of relentless combat. Enemies spawn every ten seconds, pushing you to adapt.
